## Two Bunch Palms Gives Guests an Excuse to Return with a “Right Time” Package

DESERT HOT SPRINGS, CA (February 27, 2008) – Fantasizing about when you can find time to retreat to the ultimate site for relaxation and quiet reflection? Familiarize yourself once again with the water, the award-winning spa and the mystical desert oasis that is Two Bunch Palms Resort & Spa with the new “Right Time” package now being offered at the Desert Hot Springs, CA property.

Available until April 30, Two Bunch Palms is honoring its treasured past guests – and those eager to experience the resort for the first time – with the special offering that includes a free accommodations upgrade and **up to \$450 in savings**.

The “Right Time” package is available for **Sunday through Wednesday arrivals only** and includes:

- **Accommodations for three nights**
- **Complimentary upgrade to a Suite**
- **Two soothing spa treatments (choose from 11 unique options)**

Total package price is \$999.

Return guests and those curious about being “Two Bunched” will appreciate this affordable opportunity to embark on a peaceful getaway that promises soothing hot mineral spring waters, the healing touch of experienced spa therapists and a magical, vortex-like environment that facilitates a sense of calm and contentment.

“We welcome both our past and future guests to take advantage of this wonderful savings opportunity,” said Mark Eads, general manager for the resort. “It’s so important to regularly take time out to totally unwind, and the added value of this package makes it just the ‘right time’ to do so.”

To book the “Right Time” package, please call (800) 472-4334 or visit [www.twobunchpalms.com](http://www.twobunchpalms.com).

Two Bunch Palms Resort & Spa, a 56-acre natural hot mineral springs desert oasis, features suites and villas, a California-cuisine restaurant and a world-renowned spa with more than 45 treatments. A natural lithium mineral hot spring grotto flows through the heart of the property, surrounded by beautifully landscaped gardens and preserved wilderness areas.
